Deputy Headteacher Mrs. B. James BA(Hons)

Dear parents and carers,

Further to the letter that was sent out this morning I have made a decision regarding the school tomorrow. After reviewing our risk assessment and monitoring the conditions in school today, I have made the decision that Nursery and Reception will close all day tomorrow and the rest of the school, will close at 12.30pm.

I appreciate this may be difficult for some families, however the health and safety and welfare of the children and staff is our highest priority. The conditions in the school today are more extreme than yesterday and tomorrow the temperature will be even higher.

All children from Year 1 -Year 6 will need to be picked up at 12.30pm from their normal pick-up point, this is to allow them to have a school dinner. However, as I said in the previous letter if you have concerns about your child being in school tomorrow and feel the best thing for them is to stay at home, their absence will be authorised and there will be no involvement from the Education Welfare Service.

Friday's forecast looks a lot cooler so the school will return to normal opening hours.

Again, I apologise for any inconvenience.

Yours Sincerely

Alison Evans

Headteacher
